# Annals of Otology, Rhinology and Laryngology

FOUNDED BY JAMES PLEASANT PARKER.

VOL. XXI, 1912.

## EDITORIAL STAFF.

H. W. LOEB, M. D.....St. Louis.

EDITOR-IN-CHIEF.

T. MELVILLE HARDIE, M. D.....Chicago.

JAMES T. CAMPBELL, M. D.....Chicago.

G. L. RICHARDS, M. D.....Fall River.

THOS. J. HARRIS, M. D.....New York.

J. L. GOODALE, M. D.....Boston.

SAMUEL E. ALLEN, M. D.....Cincinnati.

CLEMENT F. THEISEN, M. D.....Albany.

GEO. B. WOOD, M. D.....Philadelphia.

G. ALEXANDER, M. D.....Vienna.

Editor for the Austrian Empire.

WYATT WINGRAVE, M. D.....London.

Editor for England.

A. JANSEN, M. D.....Berlin.

Editor for Russia.

JOHN SENDZIAK, M. D.....Warsaw.

Editor for Poland.

W. POSTHUMUS MEYJES, M. D.....Amsterdam.

Editor for Holland and Belgium.

N. RH. BLEGVAD, M. D.....Copenhagen.

Editor for Denmark and Scandinavia.

HENRY HORN, M. D.....San Francisco.

Editor for Germany.

VICTOR F. LUCCHETTI.....San Francisco.

Editor for Italy.

## PUBLISHED QUARTERLY,

BY JONES H. PARKER,  
MERMOD-JACCARD BUILDING,  
ST. LOUIS, MO. 6  
1912.

June 16 1901

## TABLE OF CONTENTS.

I.—The Cubical Capacity and Superficial Area of the Sphenoid Sinus. By HANAU W. LOEB, A. M., M. D., St. Louis.....	1
II.—Testing of the Vestibular Apparatus. By R. BARANY, M. D., Vienna. Translated with special authorization of the author by IRVING WILSON VOORHEES, M. S., M. D., New York .....	71
III.—The Relief of Pain in Advanced Tuberculosis of the Larynx by Means of Injections of Alcohol Into the Internal Laryngeal Nerve. By GEORGE FETTEROLF, M. D., Sc. D., Philadelphia .....	128
IV.—The Superior Maxilla—A Discussion of Its Proper Development. By E. G. SEIBERT, M. D., Washington.....	145
V.—A Virulent and Rapid Infection of the Middle Ear and Mastoid Followed by an Evanescent Cellulitis of the Neck and Streptococcemia. By JOHN RANDOLPH PAGE, M. D., New York .....	156
VI.—Vacuum Nasal Headaches With Ocular Symptoms Only. By GREENFIELD SLUDER, M. D., St. Louis.....	160
VII.—Deep Temporal Abscess. By ALFRED BRAUN, M. D., New York.....	170
VIII.—Streptococcus Infection and Immunity. By L. W. STRONG, M. D., New York.....	189
IX.—Experiments With the Autolytic Solutions in the Treatment of Inoperable Cancer of the Throat, Neck and Face. By JOSEPH C. BECK, M. D. Chicago.....	198
X.—Contribution to the Pathology and Treatment of Otosclerosis. By JOSEPH C. BECK, M. D., Chicago.....	203
XI.—Contribution to the Etiology, Pathology and Treatment of Atrophic Rhinitis. By JOSEPH C. BECK, M. D., Chicago .....	209
XII.—The Present State of Our Knowledge Concerning Hay Fever. By PROF. W. P. DUNBAR, Hamburg.....	277
XIII.—Report of a Case of Sequestrum of the Semicircular Canals, With Presentation of Specimen. By EDMUND PRINCE FOWLER, M. D., New York.....	312

29934

XIV.—The Blood Supply of the Internal Ear of the Pigeon. By D. B. HAYDEN, M. D., Chicago.....	315
XV.—Cerebellar Abscess of Otitic Origin, With Report of a Case. By FRANK R. SPENCER, A. B., M. D., Boulder, Colo- rado .....	321
XVI.—Second Report on the Therapeutic Value of Radium in Malignant Tumors of the Upper Air Tract. By WOLFF FREUDENTHAL, M. D., New York.....	334
XVII.—Myalgia With or Without Otitis. By FRANCIS W. WHITE, M. D., New York.....	346
XVIII.—Acute Mastoiditis, Sinus Thrombosis, Superficial Brain Abscess; Recovery. By FRANK TUCKER HOPKINS, M. D., New York .....	351
XIX.—Report of a Case of Aspiration of Silver Tracheoto- my Canula and Removal by Lower Bronchoscopy. By JOHN G. HUNT, M. D., Fort William, Canada.....	355
XX.—Case of Gunshot Wound of the Ear. By JOHN B. RAE, M. B., C. M., New York.....	359
XXI.—Operative Treatment of Sinus Thrombosis. By GEORGE L. TOBEY, JR., M. D., Boston.....	362
XXII.—Report of Case of Acute Mastoiditis in a Child, Followed by Acute Meningitis and Labyrinthitis. By HAROLD HAYS, A. M., M. D., New York.....	377
XXIII.—A Case of Primary Jugular Thrombosis. By ISAAC M. HELLER, M. D., New York.....	380
XXIV.—The Role of the Labyrinth in Ideas of Tone and Rhythm, Time and Space. By PERCY FRIDENBERG, M. D., New York .....	386
XXV.—The Indications for the Use of Salvarsan in Syphilis of the Nose and Throat. By J. L. GOODALE, M. D., Boston.....	392
XXVI.—President's Address. By JAMES E. NEWCOMB, M. D., New York.....	397
XXVII.—The Report of a Case of Malignant Growth of the Larynx, Removed by Operation. By FRANCIS R. PACK- ARD, M. D., Philadelphia.....	408

XXVIII.—Cavernous Sinus Thrombosis of Otitic Origin; Recovery. By ADAIR-DIGHTON, F. R. C. S., Liverpool.....	411
XXIX.—The Massacre of the Tonsil. By JOHN N. MACKENZIE, M. D., Baltimore.....	416
XXX.—A New Knife for the Submucous Resection of the Nasal Septum. By GORDON W. RICE, B. S., M. D., Champaign, Ill.....	432
XXXI.—The Middle Turbinated Body: Some Indications for Its Removal. By W. SCOTT RENNER, M. D., Baltimore.....	443
XXXII.—Report of a Case of Rhinopharyngeal Fibroma. By JOSEPH S. GIBB, M. D., Philadelphia.....	456
XXXIII.—Atrophic Rhinitis and Its Treatment by Vaccines. By FREDERICK C. COBB, M. D., and E. W. NAGEL, M. D., Boston.....	463
XXXIV.—The Morphologic Changes in the Nose and Face Due to the Development of the Brain. By J. M. INGERSOLL, A. M., M. D., Cleveland.....	557
XXXV.—The Prevention of Deafmutism. By MACLEOD YEARSLEY, F. R. C. S., London.....	585
XXXVI.—Epithelial Grafting as a Means of Effecting the Sure and Rapid Healing of the Cavity Left by the Complete Mastoid Operation. By CHARLES A. BALLANCE, M. V. O., M. S., F. R. C. S., London.....	598
XXXVII.—The After-Treatment of Mastoid Operations. Including an Analysis of Results in 260 Radical and 100 Conservative (Heath) Operations. By J. WALKER WOOD, L. R. C. P., L. R. C. S., Edin., London.....	627
XXXVIII.—The Wassermann Reaction and Salvarsan in the Diagnosis and Treatment of Syphilis in Ear, Nose and Throat Affections with Special Reference to the Auditory Nerve. By JOSEPH C. BECK, M. D., Chicago.....	665
XXXIX.—What Is the Best Type of Radical Frontal Sinus Operation, Viewed From Simplicity of Technic, Time of Healing, and Cosmetic Results? By GEO. E. DAVIS, M. D., New York.....	684
XL.—On the Origin of Compensatory Tonus After Destruction of the Labyrinth. By GEO. E. SHAMBAUGH, M. D., Chicago.....	697

XLI.—Syphilis of the Inner Ear. By OTTO GLOGAU, M. D., New York .....	703
XLII.—The Pathology of Labyrinthitis. By DR. ERICH RUTTIN, Vienna .....	714
XLIII.—A Consideration of Brain Abscess, of Otitic Origin, Based Upon a Study of Twenty-one Cases Coming Under the Personal Observation of the Writer. By EDWARD BRADFORD DENCH, M. D., New York.....	737
XLIV.—The Eustachian Tube in Chronic Otitis Media. By E. M. HOLMES, M. D., Boston.....	762
XLV.—Middle Ear Suppuration and Life Insurance. By EMIL AMBERG, M. D., Detroit.....	769
XLVI.—The Relief of Tinnitus by the Use of Nitrate of Silver Applied Within the Eustachian Tube. By WILLIAM C. BRAISLIN, M. D., Brooklyn.....	773
XLVII.—History of a Case of Cholesteatoma of the Ear. By EMIL GRUENING, M. D., New York.....	776
XLVIII.—A Case of Paracoustic Vertigo and Nystagmus. (Preliminary Report.) By JOHN RANDOLPH PAGE, M. D., New York .....	779
XLIX.—Primary Lateral Sinus Thrombosis Without In- volvement of the Mastoid Process or Tympanum. By H. L. LYNNAH, M. D., New York.....	784
L.—Fibroma or Fibroangioma of the Middle Ear. By A. J. BRADY, M. D., Sydney, Australia.....	787
LI.—Report of a Case of Myxofibroma of the Nasopharynx. By J. H. BRYAN, M. D., Washington, D. C.....	790
LII.—The Roentgen Ray as an Aid to the Diagnosis of Diseases of the Sphenoid Sinus. By ROSS HALL SKILLERN, M. D., and GEORGE E. PFAHLER, M. D., Philadelphia.....	849
LIII.—Physical Economics—With Reference to the Eco- nomic Value of Man and the Measurement of Damages to any Part or Parts of His Body, by Standards of Measure- ment and Mathematical Formulas, in a Manner Equitable to All Concerned. By ERASTUS EUGENE HOLT, A. M., M. D., L.L.D., Portland, Me.....	871
LIV.—External Radical Operation for Chronic Empyema of the Air Sinuses by the Orbital Route. By W. SOHIER BRYANT, A. M., M. D., New York.....	904

LV.—The Nasopharynx in Relation to Diseases of the Ear. By CHAS. A. ADAIR-DIGHTON, M. B., F. R. C. S. Ed., Liver- pool .....	917
LVI.—The Duration of the Stimulation of the Haircells of the Crista Ampullaris Compared With the Duration of the Endolymph Current, and the Resulting Nystagmus. By GEORGE E. SHAMBAUGH, M. D., Chicago.....	925
LVII.—A Consideration of Otitic Meningitis in Children. By S. MACCUEEN SMITH, M. D., Philadelphia.....	933
LVIII.—A Case of Septic Thrombosis of the Left Sigmoid, Left Cavernous, and Left Inferior Petrosal Sinuses, With a Suggestion for Treatment in Future Cases. By CHARLES A. BALLANCE, M. V. O., M. S., F. R. C. S., and NEILL HOBHOUSE, B. A., Oxon., London.....	942
LIX.—The Conservative Treatment of Chronic Aural Suppuration. By SIDNEY YANKAUER, M. D., New York.....	959
LX.—Aural Vertigo (Nonsuppurative)—A Clinical and Therapeutic Study. By RICHARD LAKE, F. R. C. S., Eng., London .....	970
LXI.—Bacteriologic Diagnostic Aids in Acute Otitic Dis- ease and Its Complications. By FREDERIC E. SONDERN, M. D., New York .....	989
LXII.—The Pathology of the Eustachian Tube—A Clinical Study. By E. M. HOLMES, M. D., Boston.....	999
LXIII.—The Pathologic and Clinical Significance of So- called Aural and Nasal Polypi, and the Etiology of Benign Tumors in General. By PROF. CITELLI, Catania, Italy.....	1009
LXIV.—Tinnitus and Deafness—A New Instrument for Their Relief. By TALBOT R. CHAMBERS, M. D., Jersey City .....	1017
LXV.—Treatment of Nasal Synechie With Mica Plates. By PROF. E. J. MOURE, Bordeaux.....	1021
LXVI.—Antisepsis Rather Than Asepsis in the Treatment of Otitis Media Purulenta. By SAMUEL THEOBALD, M. D., Baltimore .....	1025
LXVII.—Otitic Extradural Abscess and Sinus Thrombosis. Report of a Case With Remarks. By JAMES F. McCaw, M. D., Watertown, New York.....	1029
LXVIII.—Hysteria Simulating Mastoiditis, With Suspected Brain Abscess Formation. By S. MACCUEEN SMITH, M. D., Philadelphia .....	1033

LXIX.—Sudden, Total, and Permanent Deafness in One Ear, From Supposed Labyrinthine Effusion, Followed Four Years Later by Similar Conditions in the Other Ear. By JAMES A. SPALDING, M. D., Portland, Maine.....	1036
LXX.—Symptoms of Thrombosis of the Lateral Sinus—Report of a Case in Which an Exacerbation of Visceral Lues Simulated the Symptoms of Lateral Sinus Thrombosis. By JESSE W. DOWNEY, JR., M. D., Baltimore.....	1044
LXXI.—Case of Bilateral Inflammation of the External Auditory Canal Followed by Bilateral Sinus Thrombosis—Autopsy. By DUNBAR ROY, A. B., M. D., Atlanta.....	1051
LXXII.—Facial Paralysis in Mastoid Surgery. By CHARLES W. PERKINS, M. D., New York.....	1059
LXXIII.—The Cubical Capacity and Superficial Area of the Sphenoid, Maxillary and Frontal Sinuses. By HANAU W. LOEB, M. D., St. Louis.....	1073
LXXIV.—Case of Congenital Bilateral Microtia with Total Osseous Atresia of Both External Auditory Canals. By JOHN RANDOLPH PAGE, M. D., New York.....	1079
LXXV.—Sinus Thrombosis—Grunert's Operation—Recovery. By FRANK TUCKER HOPKINS, M. D., New York.....	1082
LXXVI.—A Case of Early Otosclerosis Treated with Radium. By RICHARD LAKE, F. R. C. S., London.....	1085
LXXVII.—A Case of Thrombus and Removal of Internal Jugular Vein. By FRANK ALLPORT, M. D., Chicago.....	1090
SOCIETY PROCEEDINGS .....	213, 472, 792, 1092
New York Academy of Medicine, Section on Otology.....	213
224, 472, 488, 496, 792, 803, 814, 1092	
New York Otological Society.....	507, 523
